MCN^{LMU} reaches out to the public with a range of timely and relevant topics within neuroscience via the support and/or organization of workshops and events open to both the neuroscience community and a general audience. Moreover, MCN^{LMU} sponsors and awards GSN^{LMU} students' participation in neuroscience meetings, workshops and conferences.

9th European Congress of Analytic Philosophy 2017

Joint CRC 870/CRC 889 Symposium 2016

8th European Conference on Comparative Neurobiology 2016

Molecular Life of Stem Cells 2016

Pint of Science 2016

The Athlete's Brain 2015

Cochlear Implants Symposium 2014

European Visual Cortex Meeting 2014

Responsible Research 2014

Visions for Neurophilosophy 2013

45th European Brain and Behaviour Society Meeting 2013

Annual Meeting of the Academy of Ethics in Medicine 2013

Annual Meeting of the German Zoological Society in Munich 2013

QBI-MCN^{LMU} Symposium (since 2011)

FUN Exchange (since 2011)

LMU-Harvard Young Scientists' Forum (since 2009)

Interact (since 2009)
